Report of the Selectmen.

To the Taxpayers of the Town of Haverhill:

Your Selectmen submit herewith their annual report for the year ending February 15, 1908.

The valuation of the town in April 1907 was \$1,454,-075.00 which is practically the same as last year.

The inventory made in April shows a decrease in the number of horses, cattle and sheep from the previous year.

The tax rate in Woodsville is the lowest it has been for many years. In the rest of the town, however, the rate was higher than last year, owing to an appropriation for a new school-house at North Haverhill and the soldiers tax exemption law passed at the last session of the New Hampshire legislature.

Two iron bridges have been put on our highways, replacing wooden ones. Both these bridges are made with concrete flooring. An item of considerable expense, and one that is yearly becoming more burdensome, owing to the constantly increasing price of lumber is the renewing of plank on the many culverts and bridges, and it has seemed best by our selectmen to adopt concrete flooring on new bridges.

Since the last report was made the Haverhill-Newbury bridge across the Connecticut River has been put in repair and has been open to public travel as a free bridge since last April. The expense was \$1,500 and was paid for out

of money on hand. No appropriation was ever made for the bridge.

Money raised for state highway has not been expended and is available for the coming year.

The town and county poor accounts show no material change from last year, the former being smaller and the latter a little larger.

In quarantine expenses, however, a great change has been made. Last year the town paid \$919.17, while this year the quarantine bills paid amounted to \$62.20.

In the police department the expenditures amounted to \$1,069.20, while the receipts were \$762.44, leaving a net expense of \$306.76.

Three thousand dollars (\$3000.00) of town bonds have been paid the past year, as well as all interest due.

There are no outstanding orders, and there are no bills unpaid that have been allowed to date.

The net debt of the town has been reduced during the past year from \$30,115.43 to \$26,812.53.

Included in this report you will find reports of the Cemetery Commissioners, Police Court and Town Clerks.

A copy of the warrant for the coming March meeting is also included.

Report in detail is as follows :

Report of the Board of Cemetery Commissioners.

To the voters of the Town of Haverhill:

The present organization of the Board of Cemetery Commissioners is at follows:

CALEB WELLS Chairman.

EZRA B. WILLOUGHBY Secretary and Treasurer.

JAMES M. JEFFERS Member

PEABODY W. KIMBALL “

WILBUR F. TRUE “

In the Horse Meadow Cemetery, during the past year, no important work has been done. However, in the coming season, we plan to put in cemetery markers.

The work began by Mr. E. B. Pike to furnish cemetery markers in the East Haverhill Cemetery has been completed; nearly thirty being placed there.

The work on Haverhill Cemetery as proposed was only partially completed last fall. It seemed best only to reset fallen stones and right up those that were out of plumb. We were only able to complete about one fourth of the work planned. This was due to the many rainy days before the ground froze. We intend to finish the work as soon as possible in the spring.

A number of markers have been placed in the cemetery at No. 6.

The fence in construction at the Centre Haverhill Cemetery is not being built by the Commissioners, but by a local society: A small amount of work, however, has been done by the Board.

Respectfully submitted,

EZRA B. WILLOUGHBY, Secretary.
